Partners:

Federal Office for the Environment FOEN

Innosuisse – Swiss Innovation Agency

Our Services – combined unbeatable!

Since 1990 T-LINK has offered solutions in the areas:

- Export packaging
 - Corrosion protection, reusable crates with special locks (especially for exhibition goods)
- Industrial- & project transportation
 - International machine and facility transportation, shipment organisation
- Trade fair logistics
 - Trade fair shipping (truck, air & sea freight), Carnet ATA, delegation on site during assembly & disassembly
- Trade fair marketing

Thanks to the combination of T-LINK services such as packaging and forwarding, we provide additional benefits to our clients. We offer these services from a single source. This makes forwarding simpler so that our clients can benefit from **less expenditure relating to disposition and coordination.**

SWISS Pavilion

Present Switzerland as the innovation leader – it actually is!

- Global Innovation Index, Switzerland on first place, 9th time, consecutive
- Create awareness, that these innovations are part of our exhibitor's technologies

Present top showcases on the SWISS Pavilion to attract visitors

Show customer oriented solutions, not single products

- Buyers are looking for ready to use solutions
- Swiss companies shall be motivated to jointly present a solution among the supply chain

Well organized country pavilion – easy to attend

SWISS Pavilion – Benefits

- Platform for established companies, start-ups, research institutes and organizations
- Prominent networking and market place
- Strong visibility and location / Swissness
- Your first steps into new markets / market test
- Popular side events: SWISS Evening, Pitching Sessions on “stage”, etc.
- High-level delegation visits
- SWISS Pavilion – achieve more together!
